Commercial Multi-Deck Open Wine Cooler / Display Chiller

Heavy-Duty Black Steel Frame | Energy-Efficient Air Curtain | Premium Commercial Display

CRAFTSMANSHIP HIGHLIGHTS / 核心卖点

- **Honeycomb Air Curtain:** Micro-hole top discharge panel provides constant, uniform chilling with zero dead zones.
- **Multi-Tier LED Illumination:** Dedicated LED light strip under every shelf highlights premium wine bottles and beverages.
- **Adjustable Shelves & Glass Bafes:** Heavy-duty metal shelves with high-clarity front glass stoppers to prevent slipping.
- **Dual Digital Control & Safety Locks:** Precision temperature controller and bottom key-lock system for total peace of mind.

APPLICATION SCENARIOS / 场景展示

Supermarket Scenario
1. Boutique Supermarket

High-capacity open display for red wine, sparkling beverages, and organic juices. Easy customer access with maximum visual attraction.

Wine Store Scenario
2. Wine Cellar & Bar

Sleek matte black steel matches modern luxury bar interiors. Warm ambient LED illumination enhances bottle presentation.

Hotel Lounge Scenario
3. Hotel & Restaurant

Stable air-curtain cooling preserves delicate wine profiles while bottom safety locks keep high-value inventory secure.
